Travel by Road

The roads are clear for most of the year, but when the big snowfalls hit, chains may be required for 2 wheel drives. Chains can be hired in Jindabyne and Khancoban. When hiring they will need to know your tyre size and be sure to ask them about any fitting tips. A tip from us is to practice fitting your chains and to pack an old blanket to use when fitting them.

For up to date road conditions please call the RTA traffic information line on 132 701. Select option 1 for road closures from storms, snow and ice etc and then option 1 again for Southern NSW. This will take you straight to the conditions for the Snowy Mountains.

If in the local area tune to 2XL or 97.7 Snow FM for regular updates.

The National Parks and Wildlife Service collect park use fees upon entry to the park. You can purchase your pass from the Entrance Station 13km before you get to Thredbo, the Snowy Region Visitors Centre in Jindabyne, the National Parks Visitors Centre in Khancoban, or the Thredbo Newsagency.

Driving from Sydney/Canberra

Follow the Hume Highway from Sydney then just south of Goulburn take the Federal Highway and travel south to Canberra. This section of the trip is on a mainly divided road. At Canberra follow the signs to the Monaro Highway to Cooma. The road then joins the Kosciuszko Rd that you follow through the town of Berridale and onto Jindabyne. Just past Jindabyne Town Centre take a left onto the Alpine Way to Thredbo. You will go through the National Park Entrance Station, and then it is only 13km to Thredbo. Distance & Driving times from Sydney: 5 - 6.5 hours 500km (approx.), from Canberra: 2.5 hours 180km (approx.).

Driving from Melbourne

Follow the Hume Highway from Melbourne to Wodonga. Take the Murray Valley Highway "To Wodonga / Tallagatta" exit and follow the signs "To Tallangatta" Then after passing Wodonga follow the signs to Tallangatta again on the Murray Valley Highway. You pass through the village of Koetong onto Corryong. Drive through Corryong and take the "Khancoban" turn off on your right. Once in Khancoban you are only 76kms from Thredbo. From here the drive is truly spectacular as you take in awesome views of the Main Range and discover the beauty of the Kosciuszko National Park. The roads are clear for most of the year but when a big snow fall hits, chains may be required for some 2-wheel vehicles. Distance & Driving times from Melbourne 5.5 - 7 hours 500km (approx.).
